<i>December</i>	<b>Normanhurst</b>

**Address:** 4 Bloodwood Rd, Ingleside NSW 2010.

When arriving, please and park cars in the grass paddock on camp grounds at the very bottom of the hill, see red square in images on next page

### What we will be doing:

One weekend a year, members each Unit will visit Ingleside Scout Camp to perform some combination of...

- Welcoming and greeting visiting campers and site users and helping them settle in, where required.
- Where required, helping the campers and users with their activities whether that be with a physical site resource, environment program support, or their own activity where the Rovers can be of assistance.
- Assisting the Warden and Fellowship with the general on-going maintenance and upkeep of the site.

### When its your Unit's month:

- The intention is that each Unit will be on-site at the same time as a younger section is also using the Ingleside campsite.
- For site keys, arranging a date, task details, and specific requirements for your month, for 2023 please contact Patrick Dunstan at [Patrick.dunstan@nsw.scouts.com.au](mailto:Patrick.dunstan@nsw.scouts.com.au)
- With any issues, or if you cannot make any weekend your month, please contact Patrick Dunstan
