

## State Venturers' Environment Camp

Friday 25 June to Sunday 27 June 2021

*(The first weekend of the July school holidays)*

The Ingleside Environment Centre Scout Fellowship is very pleased to announce our camp for Venturers, same time, same place. Venturers who will be 15½ or over at the time of the camp are invited.

Arrive in uniform at Ingleside between 6.30 and 7.00 pm on the Friday evening.

The first session starts around 7pm, and the camp ends at 3.30 pm on the Sunday.

The camp is **fully catered**, with great food prepared by Rovers and Venturers who have attended previous camps, so that everyone can concentrate on all the Environmental Issues, games, activities, bushwalking and just having fun together at the end of school. The camp is also a great way to make new Venturer friends!

**Accommodation** is in bunk rooms with mattresses is limited due to restrictions, overflow we will use tents.

**The Program** addresses a **variety of environmental issues**, including bush regeneration, weed identification, erosion control, water monitoring including a water bugs survey, endangered and introduced species, looking after our earth, waste management, recycling and whatever else we can organise.

Sessions and discussions will be led by a variety of experts, enthusiasts, Leaders and Rovers, and we all try to make it a **really enjoyable camp with lots of hands-on activity.**

**Badges that can be worked towards on this camp include Special Interest Area (SIA) Environment, Champions for Nature Challenge, Plastic Tide Turners, Scouts Go Solar Challenge (Earth Tribe, Landcare).**

**Any Venturers finishing the old award scheme will be able to complete the Venturer's Award red level Environment badge over the weekend. The required report for this should be emailed or posted after the camp.**

The Environment Camp blanket badge and a Participation Certificate will be presented at the Closing Parade.

To book please make payment to Sydney North Region - TOTAL COST: \$75.00  
EFT Deposit Details below -
