Address: Hunter Ave, St Ives. The driveway to the hall is on your right a few hundred metres after you turn into Hunter Ave. There's a locked gate at the top.

Tasks involve simply mowing and whipper-snipping the grass around the Barra Brui Activities Hall. You need to *bring your own tools*. Please note that there are two halls at this location. We only need to maintain the grounds of the hall at the very end of the driveway.

What to do when it is your Unit's turn to do maintenance:

To organise a day and time, please contact Sydney North Region Office as you will need to pick up the key from there.

Address: 2 Ellis St, Chatswood .

Tel: 9411 4088 during business hours, email: sn.region@nsw.scouts.com.au

Remember: If you're unable to mow in your allocated month, you will need to organise to swap with another Crew, and then let the RRC Service Co-ordinator know.

For Crew contact details, please see the Sydney North Rover website: www.sydneynorthscouts.com/rovers

Any queries: Contact the RRC Service Co-ordinator at rrc.service@sydneynorthscouts.com, phone number available from the Region Rover Contacts page on the website.
