“and in the morning—we will remember them”

Leading Seaman Marine Technician—Greg Rollo

They shall grow not old, as we that are left grow old;

Age shall not weary them, nor the years condemn.

At the going down of the sun and in the morning

We will remember them”

We bring you pictures of the West Pymble Dawn Service where Scouts, Venturers and Guides from local Groups took part.

After the Covid restricted 2020 ANZAC Day at home services, our Groups relished the ability to commemorate together in 2021. A snapshot of some of these events are highlighted in the following pages.

West Pymble ANZAC Day Dawn Service was a poignant reminder of sacrifice made by so many to secure our freedom and a future for our young Scouts and Girl Guides.

Photos by Toby Luck

1st Balmoral Commemorates ANZAC Day

By Anthony Raymond

1st Balmoral Scouts were very happy to be included at the ANCAZ commemoration at Georges Heights Dawn Service at the request of the RSL.

With relaxed conditions, we are once again able to commemorate the brave ANZAC forces and countless serving men and women who have given so much, with a return to a Dawn Service.

With much pride I watched as my boy and his good friend laid a wreath on behalf of 1st Balmoral Scouts.

SPLENDOUR ROCK ANZAC SERVICE FOR TAMBOURINE BAY

By Kim Loane

For a second year, a large group from Tambo decided to attend the annual Anzac Day Dawn Service at Splendour Rock in the Blue Mountains.

It's a 28 km round trip hike – this year made all the more difficult by thick undergrowth on the tracks caused by the fires a year earlier.

The group split into two teams – a day-hike team, leaving in the morning on the day prior with a plan to camp overnight at Splendour Rock and awake early for the Dawn Service – and a night-hike team who left much later that evening – around 10pm – hiking overnight and arriving just before dawn in time for the service.

Eight Venturers, a Rover alumni, three Scouts, an amazing Cub, three Leaders and a supportive Parent headed off from Dunphy's. They hiked over fire trails, overgrown tracks, resting at Mobbs Swamp. Over more overgrown tracks and climbing steeply up the side of Mount Dingo to reach the endpoint known as Splendour Rock.

The reaction of the night-hike team – who arrived nearly two hours earlier than anticipated, was very positive. It was their first experience at night hiking. Here are some of the reactions: *"Hiking at night is so much better. Our packs are so light. It's not hot. It's easy with so many torches. Time almost vanishes – everything goes quickly."* The reference to lighter packs surely comes from having no tent, sleeping bag etc.

This year's interesting twist was the primary organiser, a Leader who had previously hiked the route a few weeks before, making sure it would be suitable for a night hike and was unable to attend at the last minute. Consequently, overall leadership of the night hike team was passed to two Queen's Scout Candidates who took on the role of leading the night team, navigating the unfamiliar route with its challenging undergrowth, and doing all of this by torchlight. The Vennies easily rose to this challenge. It also demonstrated the value of a well-researched and communicated hike plan and reflects positively on the skills they developed over the many hours of preparation they had put into their own Venturer Award and Queen's Scout Expeditions over the past year.

There were other Rovers, Venturers and Scouts from other Groups attending – maybe about forty Scouts in total - and an overall crowd of approximately 100 people attending this most moving experience in a remote, beautiful and majestic location.

It's a very fitting way to combine an outdoor and community service activity into one.

Well done Tambo.

Indo-Australian ANZAC Service

By Soumi Paul Mukhopadhyay

Aditya, a 1st Epping Cub, was invited to represent the Indo-Australian Bal Bharathi Vidyapith (IABBV Hindi School) on the auspicious occasion of commemorating ANZAC Day, at a Service on 18th April 2021 at the ANZAC Jawan Cenotaph, Cherrybrook. The event was organised by the Australia India Cenotaph Committee (a project of the Hindu Council of Australia).

Aditya recited the Hindi poem “ Pushp ki Abhilasha” (Longings of a flower) and laid a bouquet of flower to pay his respect to the immortal soldiers.

Lest we forget!

With Julian Leeser, Federal Member for Berowra

With Hornsby Mayor, Philip Ruddock

2nd Gordon Joeys learn about the ANZACS

By Gabrielle Oslington

Second Gordon Joey's had a very special outing on Thursday 29th of April. After meeting at Gordon Library for an Anzac story, we were treated to a foot tour of memorials, remembering the contribution made by Kur-ring-gai men and women in Australia's war effort. Our guide was Chris Eyde, who co-authored the four volume work commissioned by the Kur-ring-gai Historical Society on men and women who went to the Great War.

We left home-made poppies at the honour boards in the Library, heard stories about some of the experiences of families, admired the knitted socks in the Historical Society collection, and shuddered at the scary looking gas masks. Did you know the clock outside Gordon Library is a memorial clock? A night time stroll took us to Gordon Railway Station where there is a magnificent remembrance board up on the concourse. We left the last of the poppies at the station, and with a big thank you to Chris, made the chilly walk back to the hall to meet our parents.

This term we will be earning our "Their Service Our Heritage" badge. We so appreciate the help from Gordon Historical Society, and especially Chris, or as he asked to be called by the children, "Grumpy"!

Imagine your child
having to miss out on this
fun

Well, some do!

Scouts NSW has established the Family Support Fund to ensure youth from families of financially disadvantaged backgrounds or who are experiencing financial stress can participate fully in Scouting.

For more information or to make a donation, go to:

1st East Ryde Joeys

By Lyn Mann

at Barangaroo

At 6am on Anzac morning, members of 1st East Ryde were fortunate to be a part of the official lowering of the Bicentennial Flag at Barangaroo. ASL David Taranto lowered the flag and Scout Jake Henderson played the Last Post at the base of the flagpole. It was a very haunting and beautiful sound!

Scout families gathered on the Pyrmont Bridge and conducted our own Anzac service.

at Ryde Park Memorial

1st East Ryde Joeys community service at Ryde Park memorial
22.4.21

With attendance at ANZAC marches limited this year, 1st East Ryde Joeys did their community service by cleaning and polishing the beautiful new memorial in Ryde Park.

They came prepared with cleaning cloths and elbow grease, to ensure the plaques and lights were sparkling!

SNR Rovers—reporting in

By Kellie Chilvers
Region Rover Council PR

The Region service project in March saw 66 Rovers getting up nice and early to volunteer at the Bobbin Head Cycle Classic as marshals, manning drink stations and helping with pack up. Organisers of this charity fundraising event were super grateful for our help!

Normanhurst went down south to Bomaderry where they spent days on the beach and exploring the local area. They met up with Platabeen at Jamberoo Water Park, who had taken their Venturers away for the long weekend. Epping also took their Venturers for a road trip. What a great way to make sure our Venturers don't miss out on a great weekend!

With Dragon Skin 2021 cancelled, Crews across the Region adventured a little closer to home with many Crew camps taking place over Easter.

SNR Rovers—(Contd.)

MCMK spent the long weekend at Jervis Bay, where they had many adventures including, dolphin cruises, National Parks and lots of beach days. Forest explored so many different areas, from the bush to some observatories!

Turramurra enjoyed a farm stay in Cowra, where they fully embraced life out of the city.

At the Region Rover Council AGM we filled all executive positions, with a great representation from across most of our Crews. We are excited to welcome Kacie Turner from Platabeen as the new RRC Chair!

Charlotte Mason from Gordon Rovers was granted the final Tony Balthasar Achievement Award, which she plans

to use to travel to Scotland in 2022 to undertake advanced canyoning training. The Balthasar Award's fund is now exhausted, after supporting 27 awardees over a 36 year period, made possible by an initial \$40,000 contribution from Dick Smith. The Region Rover Council has a working group looking at new possibilities to establish a successor award.

ANZAC Day was back in full force this year, after services were cancelled in 2020 due to COVID. It was amazing to see so many Crews participating in their local services. We saw some Rovers marching in the city, where others participated in local ANZAC vigils and dawn services. Many Rovers from Hornsby Gang Show joined the choir at the Hornsby service. It has been an honour to acknowledge the sacrifices of the soldiers who gave up everything for our freedom, and to recognise those who are currently serving.

Hornsby Gang Show is back this year with a revived show *Wonderstruck*. Around 25 Rovers are taking part in the cast with many others in backstage and crew positions. Rover Night is on 2nd July and after the show we will be heading back to our regular hangout at Hornsby RSL. It would be great to see lots of Rovers supporting the show this year!

ANZAC Day

Epping Crew Camp

Sydney North All Abilities—ready & able

By Mel Howells

Hi there scouting family! Welcome back to a fresh year of scouting with still some challenges ahead, but as our motto says “Be Prepared”!

Sydney North All Abilities scouts have returned to face to face scouting this year. We stopped meeting at the hall before the State directive. We went to online meetings which were challenging for our group. However, in true scouting style, our scouts really shone. We are so proud of how adaptive they all were, including the families. Personally, at least one of the Leaders, actually were able to have a rest from the regular commute to Sydney for meetings, shhhh... don't let on I've told you.

SNAA went back on the 15th February at 1st Lindfield scout hall. We had a games night and despite the rain, as usual we were creative and adapted well. Glow ball cricket, hockey and more were some of the games. Our Bocce game saw a tarp put down for the fun, the hockey game had a bright green paper ball using plastic cricket bats. There were lots of laughs and we ended out meeting with 'Dancing with the SNAA'S'!

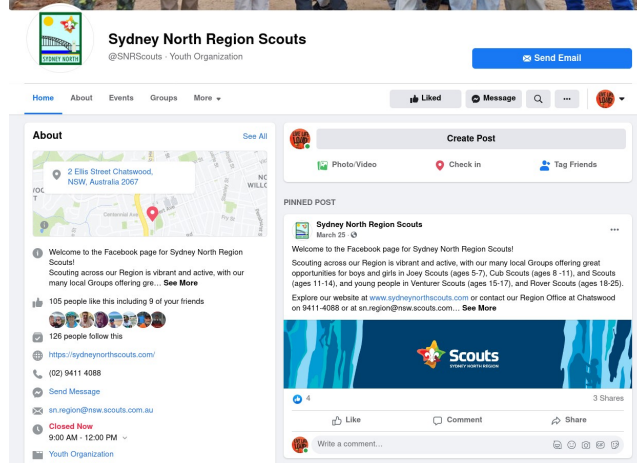

We had 3 activity days last year when we were able to meet in person. Our first was to the Kuringai Wildflower Garden at St Ives. We enjoyed a guided tour, including using nets to catch tadpoles and making terrariums. It was great to finally see everyone. Our next outing was to Putt Putt at Thornleigh, everyone attended and we even had a few hole in ones! A lot of laughs too. Lastly, we had our Christmas party at one of our member's homes. Santa's helper even dropped by to hand out gifts. It was a lovely end to a challenging year

Sydney North All Abilities is now able to accept siblings of members with additional and inclusive needs. We are able to offer transitional scouting that assists future members to gain the understanding and skills, so they can attend their local Scout Group. Those who prefer, can stay with SNAA Scout Group. We have a wonderful team of leaders that help to make scouting for our members an enjoyable and challenging experience.

If you know of any youth that you think would benefit from our programme, drop us a line. Also, if there are any leaders or adults looking for something different and very rewarding, look us up! We are keen to see our group grow and to provide a unique experience that only scouting can give. We welcome any joint ventures with other Scout Groups so feel free to contact us.

NEW LOOK FOR SNR WEBSITE AND NEW FACEBOOK PAGE

- Sydney North Region's website has been fully updated... take a look at our new site - same familiar URL - sydneynorthscouts.com

You'll find information about all sections, activities courses, resource material, calendar dates, and much more.

And it's mobile and tablet-friendly!

Spread the word and please let Leaders, members, and others in your Group or District know.

Further enhancements coming very soon include a new online Activities Application System.

- Sydney North Region also now has a public Facebook page, to promote Scouting in our Region to the world! See www.facebook.com/SNRScouts Please encourage parents and other supporters to "Like" this page.

Content submissions for the website news blog, calendar, Facebook page, or other material can be sent to webmaster@sydneynorthscouts.com

- Finally, all Leaders and other adult members are reminded about the Region's closed Facebook group, *SNR Scouting members* - www.facebook.com/groups/snrscouting This is an internal group for members of all sections in the Region to share ideas, stories, and resources. If you have not joined it already, do it today!

BROOKVALE/CURL CURL ON THE OVERLAND TRACK

By "Ollie—a Scout Report

An early start at 3 am. It was a beautiful trip over to Hobart, with the sun just starting to rise.

We arrived in Hobart around 8:30 am. Hopped on a bus and we were driven to 10th Hobart Scout Hall. The next morning was another early start. We were all up at 3 am packing our packs and making sure we had everything. We then got started, making our four-hour journey up to Ronny Creek (Start of Overland Track).

First Day: The weather was sunny and hot, with clear skies and not a cloud in sight. The terrain was very steep and there were lots of hills and mountains we had to climb. The view was simply astonishing from up there.

When we got to the Cradle Mountain Junction only Ollie (me), Jamie, Eve, Catlin, Stu and Neville climbed Cradle Mountain. When we got to the top, it was like we were on top of the world it was crazy!! 12km.

Second day: Once again the weather was sunny and not a cloud in sight. The terrain was very flat, and it was easy hiking. We all set out, stopping for lunch at the Lake Will. That night we all stayed up late playing UNO and talking around the Hammock. 8km

Third Day: That morning it was very foggy and misty waking up at 5:30 am. We made our descent down the side of a mountain. It was very muddy and that's where Izzy hurt her foot. She must have sprained it and it swelled up, but she kept going to the campsite. When at the campsite, that was when it first started to rain. 17km

Fourth Day: We all stopped on a side trip intersection. It was cold up there, really cold! Ollie (me), Stu and Jamie did the side trip up to Mt Pelion East but we did not summit the Mountain, enjoying the view from Toad Rock. 10km

Fifth Day: A Possum broke a tent leaving a hole. Luckily it did not take any food. It started to snow. It was very beautiful and was not like anything I have seen before. It was very different hiking in snow, it was hard at times. After a long day of hiking we decided it would be best to go to the huts and warm up instead of sitting outside in the snow. Sure was a cozy sleep that night! 10km hike

Sixth Day: This day was the coldest of all the other days. There was about 8-9 inches of snow. It was cold! We all

THE OVERLAND TRACK Contd.

made it to the ferry on time, crossed Lake St Clair, and then departed from the visitors' centre and made our way back to Hobart by bus. 10km

To sum this whole trip up. It was not just about hiking and walking it had a deeper meaning. We can all agree that we each grew as a person and got to know each other much better. Overland Track tested our patience and taught us not to give up but to keep going. We all had fun and it was a great experience to be a part of.

We are all very lucky to have great Scout leaders!!

Thank you Stu, Neville and Ann. Thank you for a trip of a lifetime.

Ollie's reflection:

"To walk in nature is to witness a thousand miracles"
-Marie Davis

1ST ELANORA HEIGHTS GROUP CAMP

By Rick Shires

Recently, 1st Elanora Heights held a group camp on Cockatoo Island.

The Scouts and Venturers arrived on Friday night. On Saturday morning the Scouts and Venturers, in Patrols, set an orienteering course which another Patrol would follow after lunch.

The Cub unit arrived for a lunch prepared by a patrol of Scouts and Venturers. Following lunch the Scouts and Venturers taught the Cubs how to erect a tent properly.

Orienteering was next, then learning a few new knots. Dinner was prepared by a Patrol made up of Cubs, Scout and Venturers.

A movie was next followed by a visit to the campfire before bed. Some Venturers watched the late screened horror movie.

On Sunday our Group held an ANZAC service with a traditional service persons breakfast.

Free time was given so that everyone could explore the Island before it was time to pack up before catching the ferry home

THE SCOUTHIKE YOU HAVE WHEN YOU ARE NOT AT SCOUTHIKE

By Peter Tuckwell

2nd Turramurra Scouts did not want to miss out once again on that great annual event of the Sydney North Region calendar, so we did our own **Scouthike** over the weekend of 1st and 2nd of May.

We had two patrols of 6 scouts each, hiking with full packs, in opposite directions between Hornsby and Mt. Ku-ring-Gai with a major Camp and 8 Activities organised at camp by supporting adults, for all Scouts to participate in.

The first Patrol of 6 scouts starting before 9am at Clarinda St Hornsby, headed off down the fire trails and narrow, steep tracks and climbs, to

cross the road at Galston Gorge. Climbing another hill and then dropping down to follow Berowra Creek, they reached Crosslands Reserve before 2pm to set up camp.

After pitching their tents, the Scouts participated in Activity Bases led by a number of Leaders and skilled Adult Helpers from 2nd Turramurra.

The second Patrol of 6 scouts starting after sport at around 2pm from Mt. Ku-ring-Gai, headed off down the Benowie Walking track and Lyrebird Gully before crossing Calna Creek Bridge and the final stretch into Crosslands Reserve, by about 4:30pm to set up camp.

The activities over the weekend included: A mini-Rogaining event to test their map reading and speed, checking of their lightweight hiking gear and food they brought; behaviour and team participation on hike and at camp; skills in tent pitching and personal gear

management; checking for nourishing food; cooking skills; participation and hygiene; Knots and Lashings skills and First Aid knowledge and skills.

Cooking a common meal for dinner on Saturday night, the scouts all bonded so well and spent several hours sitting and chatting around their camp fire. Sleeping in individual tents (trucked in to meet current rules), they all went to bed at a reasonable time and were up at dawn to a misty and cool morning.

On Sunday morning following more participation in activity bases, both groups headed off in opposite directions to complete the total hike distance of about 18km.

All Scouts said they enjoyed the opportunity to get out, to hike and to camp.

10 adults supported the Scouts at camp with 2 adults supporting each hiking patrols from behind, providing security only, with the Scouts making all the navigational and hiking decisions.

Our new Adult Helpers were just fantastic and I would like to thank them and our other Leaders for a great weekend.

2nd Turramurra are now confident that our newest Scouts will be ready for the challenge of Scouthike 2022.

1ST EAST RYDE JOEYS CLEAN UP

By Lyn Mann

1st East Ryde traditionally organise CUA at Magdala Park, North Ryde. We had many Cubs and Joey families in attendance. We send groups upstream and downstream along the Lane Cove River, and along Pittwater Road from East Ryde to North Ryde RSL. This year we were pleased to report a reduction in the amount of rubbish collected.

Will you run a St John course for our Group?

An in-house course at your hall may sound like a great idea, but there are other options.

Organising an in-house course is a lot of work. Why not send at least one member of your Group to every course run by the Scouts NSW Division of St John Ambulance? This would train at least 21 of your members annually and 63 in each 3-year cycle. We organise the course and St John handles enrolments.

The Scouts Division is a small group who can wear either the green St John uniform or the blue Scout uniform. For many years we have delivered first aid courses to Scouts and bushwalkers and provided first aid at major Scout events. Twenty-one courses are scheduled for 2021, running in Sydney North at Bara Brui and in South Met at Kingsgrove. We are the **ONLY** group running St John Ambulance Remote First Aid courses with a volunteer trainer and contextualised for Scouting and bushwalking.

Five ways to make this work

1. Incorporate the Division's course dates into your Group's calendar
2. Ask "*when are you going to do a first aid course?*" - make first aid training an expectation rather than an option. Grow first aid skills in your group long-term - the young Scout doing Emergency Care should come back for Provide First Aid before their first Dragonskin, and then upgrade to Remote First Aid as a Venturer, Rover or Leader
3. Sending one member to every first aid course is good, but sending a Patrol is better.
4. Beware of deadlines because everyone else has the same deadline. Venturers going to Dragonskin can find it hard to book in term one. Get your unit to focus on first aid training the previous year.
5. Send people to the right course:

Younger scouts attend day one of a 2-day Provide First Aid course, gaining an Emergency Care certificate covering CPR, bleeding and fractures. A full 2-day course is often too challenging for very young members.

Older Scouts are recommended to attend the 2-day Provide First Aid courses and gain Provide First Aid certificates.

Venturers renewing Provide First Aid and Leaders can attend a 1-day Provide First Aid course with on-line pre-learning.

Leaders, Rovers and Venturers can also attend the 3-day Remote First Aid course.

Anyone needing an annual refresher of CPR can attend the morning session of any Provide First Aid course.

You still want to organise an in-house course?

Contact St John Ambulance and ask for a quote for training with a staff trainer. See page 21 for course dates.

Training calendar – Scouts NSW Division

To book into any class phone St John Ambulance, **quote the course number** and say you are a member of Scouts.

Class numbers may vary according to Covid-19 restrictions

JOEY SCOUT POSTCARD EXCHANGE

By Lyn Mann

ate in 2020, Joey Units in NSW and some others around Australia were excited to participate in a Postcard Exchange project.

We made personalised postcards and posted them to about 60 Joey Units in NSW, Queensland, Western Australia, Victoria and one in the Northern Territory.

Patently we waited to see where we would receive postcards from, and what they would look like.

To >Review this project, we brought together all of our postcards onto a map. You can see how many we received and now we know we have Joey friends right across Australia! We hope that our 1st East Ryde postcards have made your Joeys happy too!

Former Rovers, Sarah-Jane Petts (Normanhurst) and Linda Mitchell (Epping) were finally formally presented with their B-P Scout Award certificates by the State Governor, at Government House on May 22nd.
