e-Learning Common Core

How to Access & what do I need to do?

The image displays two screenshots of the Scout Central website. The left screenshot shows the main navigation bar with the 'e-Learning' link circled in red and a yellow arrow pointing to it. The right screenshot shows the 'e-Learning' dropdown menu, also with the 'e-Learning' link circled in red and a yellow arrow pointing to it. The dropdown menu includes options for 'Online Electives' and 'Training for Committee Members'. Below the navigation bar, the website features a 'Notifications' section and three featured articles: 'New Child Protection Policy', 'APR Internship', and 'Messengers of Peace - Guidelines'. The background of the website is a scenic image of people hiking on a trail.

e-Learning Curriculums

The screenshot shows the Scouts Australia Training and Development website. The header includes navigation links for Scouts Australia, International, Resources, Scout Central, Scout Cloud, Training, and Wiki. A user is logged in as Daryl. The main navigation bar features a 'Curriculums' dropdown menu, which is circled in red. A yellow arrow points to this menu. Below the navigation bar, the 'LEARNING ELECTIVES' section is visible, showing a progress bar for a 32-hour course that is 3% complete. A text box with a yellow arrow points to the 'AA Training for Youth Members' option in the Curriculum dropdown menu.

Scouts Australia Training and Development

Scouts Australia Training and Development has recently been updated to include seven new outdoor skills modules and a new look and feel. If you notice anything strange or experience any issues, please contact us [here](#) or by using the request support link found at the bottom of every page. Happy Scouting!

TRAINING FOR YOUTH MEMBERS

Adventurous Activities training is open to Youth and Young Adult Members of Scouting. As a Venturer Scout or Rover Scout, it may contribute to award scheme completion, with the prior approval of your Unit Council or Rover Crew. Successful completion of Adventurous Activities training may also contribute to your portfolio of evidence for VET-unit recognition.

e-Learning Basic Outdoor Skills

BASIC OUTDOOR SKILLS ASSESSMENT OF PROFICIENCY

All participants on Adult Training and Development Basic Outdoor Skills training courses will complete this attachment.

At the Basic Outdoor Skills training course, participants will plan and participate in a short bushwalking and lightweight camping activity. At the completion of the Basic Outdoor Skills course, they will have the minimum skills and knowledge required to provide training to youth members and peers to allow them to participate in basic outdoor activities and complete the bushwalking requirement required for various sectional awards.

NAME: _____
