10. On Top of Spaghetti

(song)

On top of spaghetti
All covered with cheese
I lost my poor meatball
When somebody sneezed

It rolled on the table
And onto the floor
And then my poor meatball
Rolled out of the door

It rolled in the garden
And under a bush
And then my poor meatball
Was nothing but mush

The mush was as tasty
As tasty could be
And then the next summer
It turned into a tree

The tree was all covered
All covered with moss
And on it grew meatballs
And tomato soss (sauce)

So if you eat spaghetti
All covered with cheese
Hold on to your meatballs
Whenever you sneeze

7. To Market, to Market

(song)

To Market, to market with my brother Jim
When somebody threw a tomato at him
Now tomatoes are soft and they don't bruise the skin
But this one killed Jim, it was wrapped in a tin.
Mary the milkmaid was milking the cow,
The trouble with Mary, she didn't know how.
Along came the farmer and gave her the sack
So she turned the cow over and poured the milk back.
One day in a rest'rant my soup was quite thin
I noticed a cockroach was swimming therein.
I cried to the waiter, "What's this I can see?"
And he said, "It looks like the backstroke to me."

8. Ain't No Flies

(yell)

There ain't no flies on us,
There ain't no flies on us,
There might be flies on youse guys but –
There ain't no flies on us!

*Divide singers into two groups, take turns yelling it at each other
– louder, louder then softer.*

9. Worms

(song)

Nobody loves me,
Everybody hates me
Think I'll go and eat worms,
Long ones,
Short ones,
Fat ones,
Skinny ones,
Worms that wriggle and squirm.
Bite their heads off,
Suck their guts out
Throw their skins away
Nobody knows
How well we'll live
On worms three times a day.
